Ahşap Ürünleri geliştirilmiş MDF üzerine yüksek sıcaklık ve basınç altında tabii ahşap kaplamanın preslenmesi sonucu elde edilen ürünlerdir.

- MDF ve ahşap kaplama tamamen bütünleştiği için nemden etkilenmez.
- Tüm imalatımız titiz bir kalite kontrolünden geçirmektedir.
- Yüksek kapasite imkanımız ile her türlü siparişiniz kısa sürede teslim edilir.

Wood products consist of premanufactured MDF, which, under high temperature and pressure, is coated with wooden veneer.

- Humidity has no effect because MDF and wood veneers are completely united.
- All of our manufactured goods are only delivered after going through quality control.
- Because of our high capacity your order can be delivered within a short time.
